To Whom this concerns:

Received the letter stating, Cellular One is going to put a 350 foot tower within 500 feet of our property. We are very much against this. As we have been told, that this will hurt the value of our property. We don't understand why this tower can't be farther away from our small community. Referring to Docket No 2007-06323

Sincerely

Dillard Parrish (Dillard Board)
