Re: *In the Matter of: Joint Application of Louisville Gas and Electric Company, Association of Community Ministries, Inc., People Organized and Working For Energy Reform, and Kentucky Association for Community Action, Inc. For The Establishment of a Home Energy Assistance Program, Case No. 2007-00337*

Dear Mr. DeRouen:

On September 14, 2007, the Commission approved the Joint Application of Louisville Gas and Electric Company ("LG&E"), Association of Community Ministries, Inc. ("ACM"), People Organized and Working for Energy Reform ("POWER"), and the Kentucky Association for Community Action, Inc. ("KACA"), (collectively "Joint Applicants") for a five year Home Energy Assistance ("HEA") program. Pursuant to Ordering Paragraph No. 4 of the Commission's Order, LG&E is filing the additional HEA program information as stipulated for calendar year 2008. LG&E has not obtained the financial audits for Affordable Energy Corporation for year ended December 31, 2008, but will provide the report when it is made available.

For the twelve month period ending December 2008, based on the 10 cents per meter charge, LG&E collected \$775,171 from residential electric and gas customers (See Exhibit 1).

As of the December 31, 2008 reporting period, there were 899 residential customers enrolled in the HEA program representing nine (9) counties throughout the LG&E service territory (See Exhibit 2).

Mr. Jeff DeRouen
May 21, 2009

For the calendar year 2008, the number of HEA clients receiving brown bills was 650 (See Exhibit 3). The number of HEA customers receiving five or fewer brown bill notices throughout 2008 was 399 or 61% of clients. Additionally, 153 HEA clients were disconnected during 2008 with 86% receiving two or fewer disconnections during the year (See Exhibit 4).

In the aforementioned Order, LG&E was authorized to utilize up to five percent of the total HEA funds collected to provide discretionary energy assistance. The Order specifies that the funds could be used to pay down arrearages or to provide energy assistance in crisis situations. During 2008, AEC utilized the funds for program participants that required monthly energy assistance.

During 2008, there was no change to the monthly or annual benefit amount after approval of the aforementioned Order.

Lastly, as previously stated, LG&E will provide the financial audits conducted by independent auditors for the Affordable Energy Corporation for the period ending December 31, 2008 when available.

Please confirm your receipt of this filing by placing the stamp of your Office with date received on the extra copy and returning to me in the enclosed envelope. Should you have any questions regarding this information, please contact me or Don Harris at 502-627-2021.

Sincerely,

Rick E. Lovekamp
