RE: Case No. 2007-00373

Dear Public Service Commission;

Please be advised this is not a written objection to the order of case No. 2007-00373. It was my understanding at the informational conference, your hearing officer asked for this action by the Fiscal Court. Additionally this is a clarification to the geographical coordinates, which was inaccurate because the coordinates were in Knott County and not Magoffin County. The coordinates that the Magoffin County Fiscal Court reference was recorded by O&G Gas Company, who used a GPS unit that they use with their company. I contacted O&G Gas to reshoot the geographical coordinates for clarification. I would respectfully request that this letter along with the new geographical coordinates be attached to case No. 2007-00373.

I would like to thank-you in advance for your cooperation in this matter. If any additional information or clarification is needed please contact me at the above address or phone number.

Sincerely,

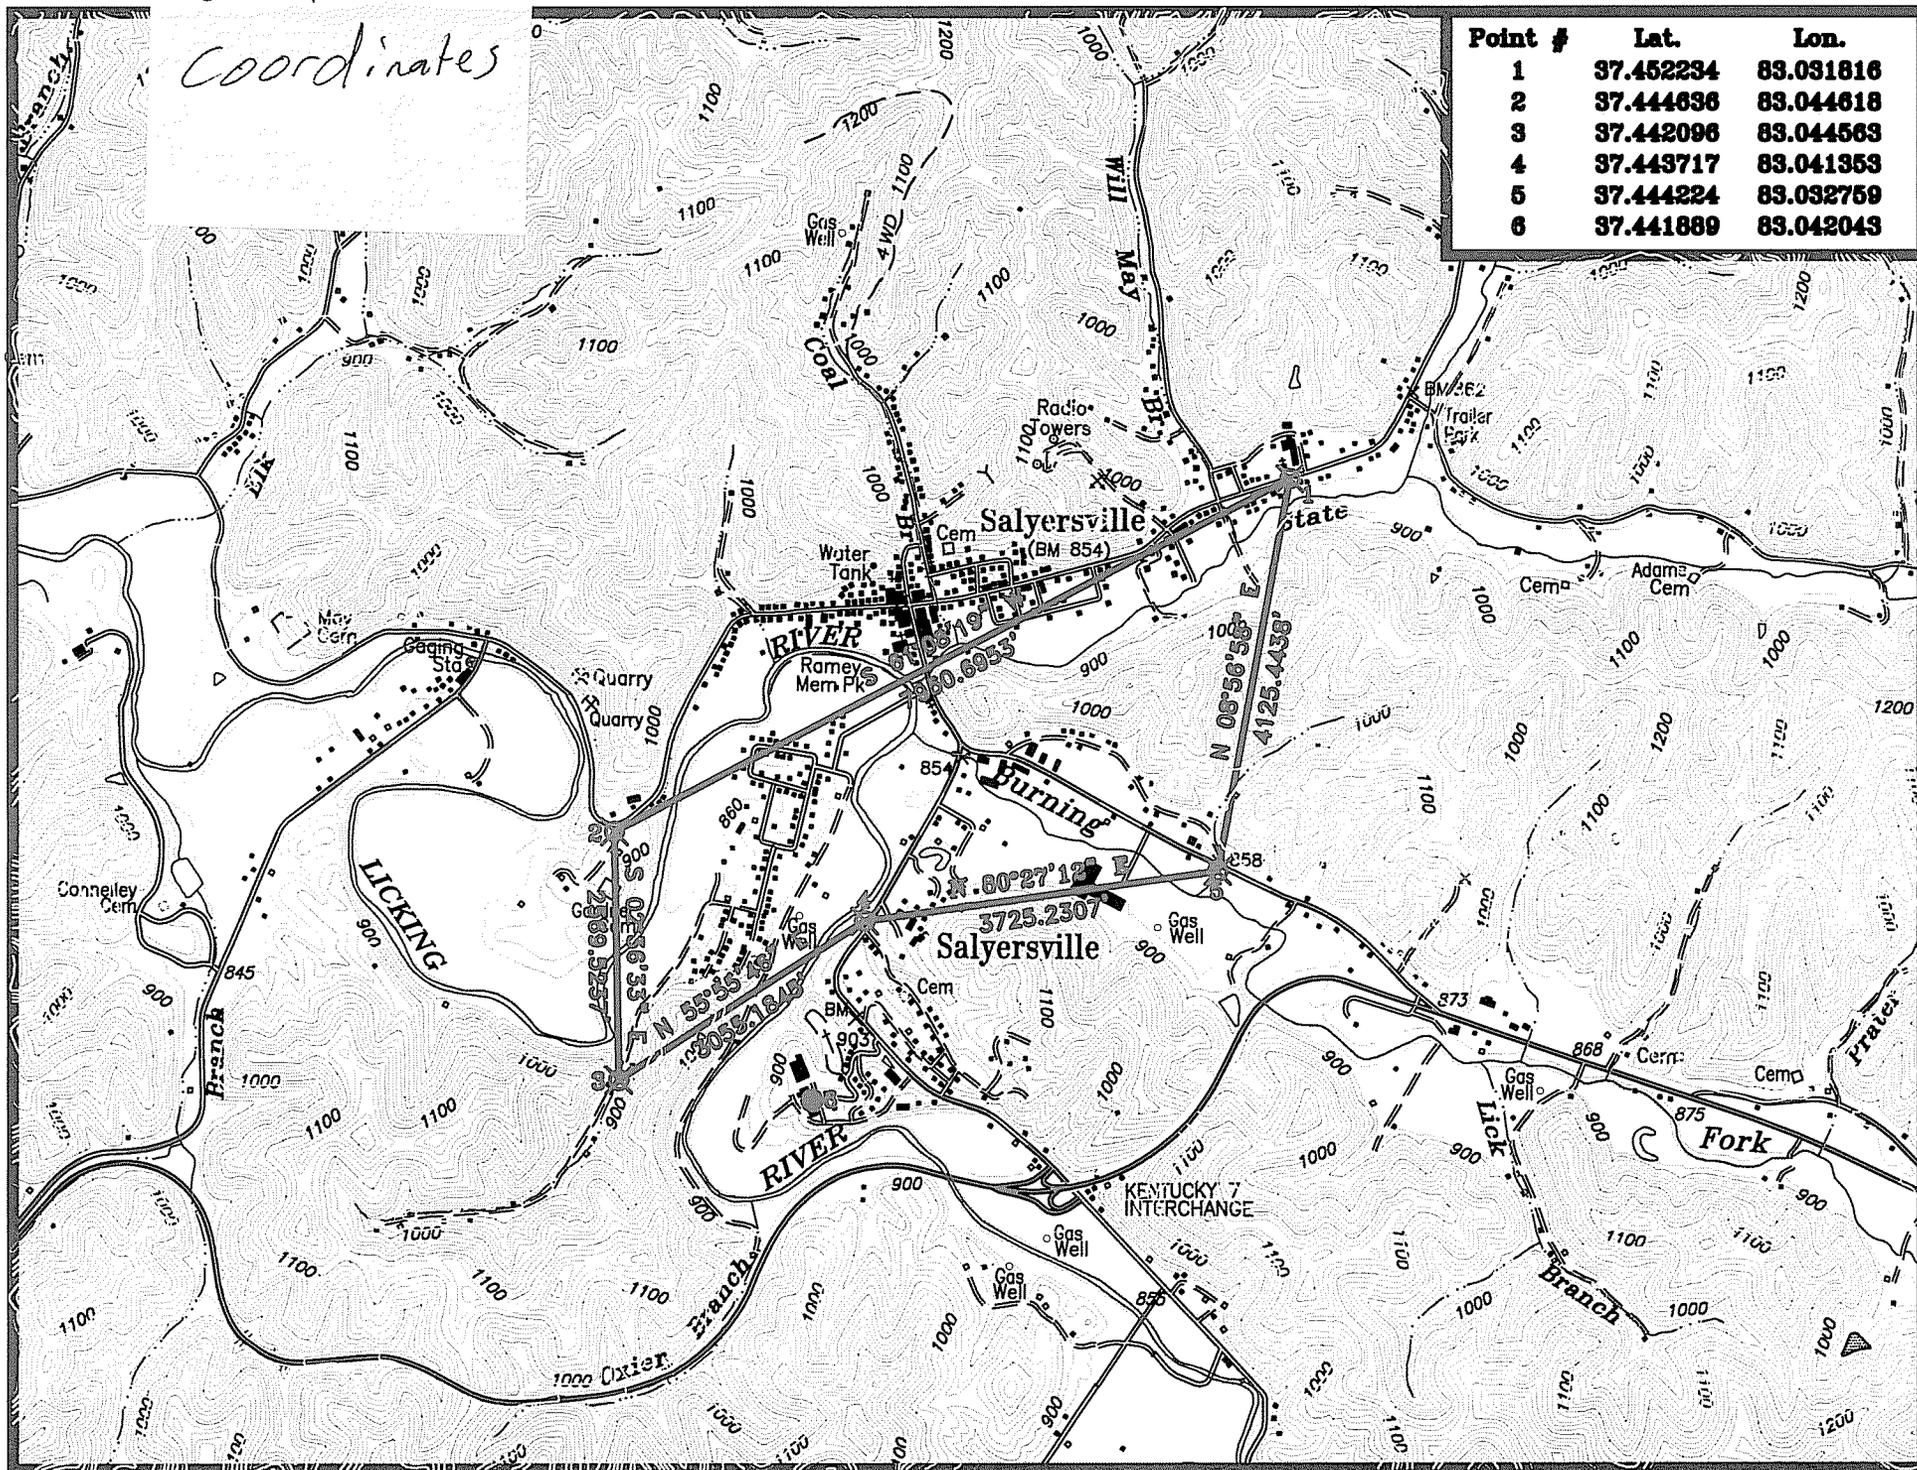

Charles "Doc" Hardin M.D.

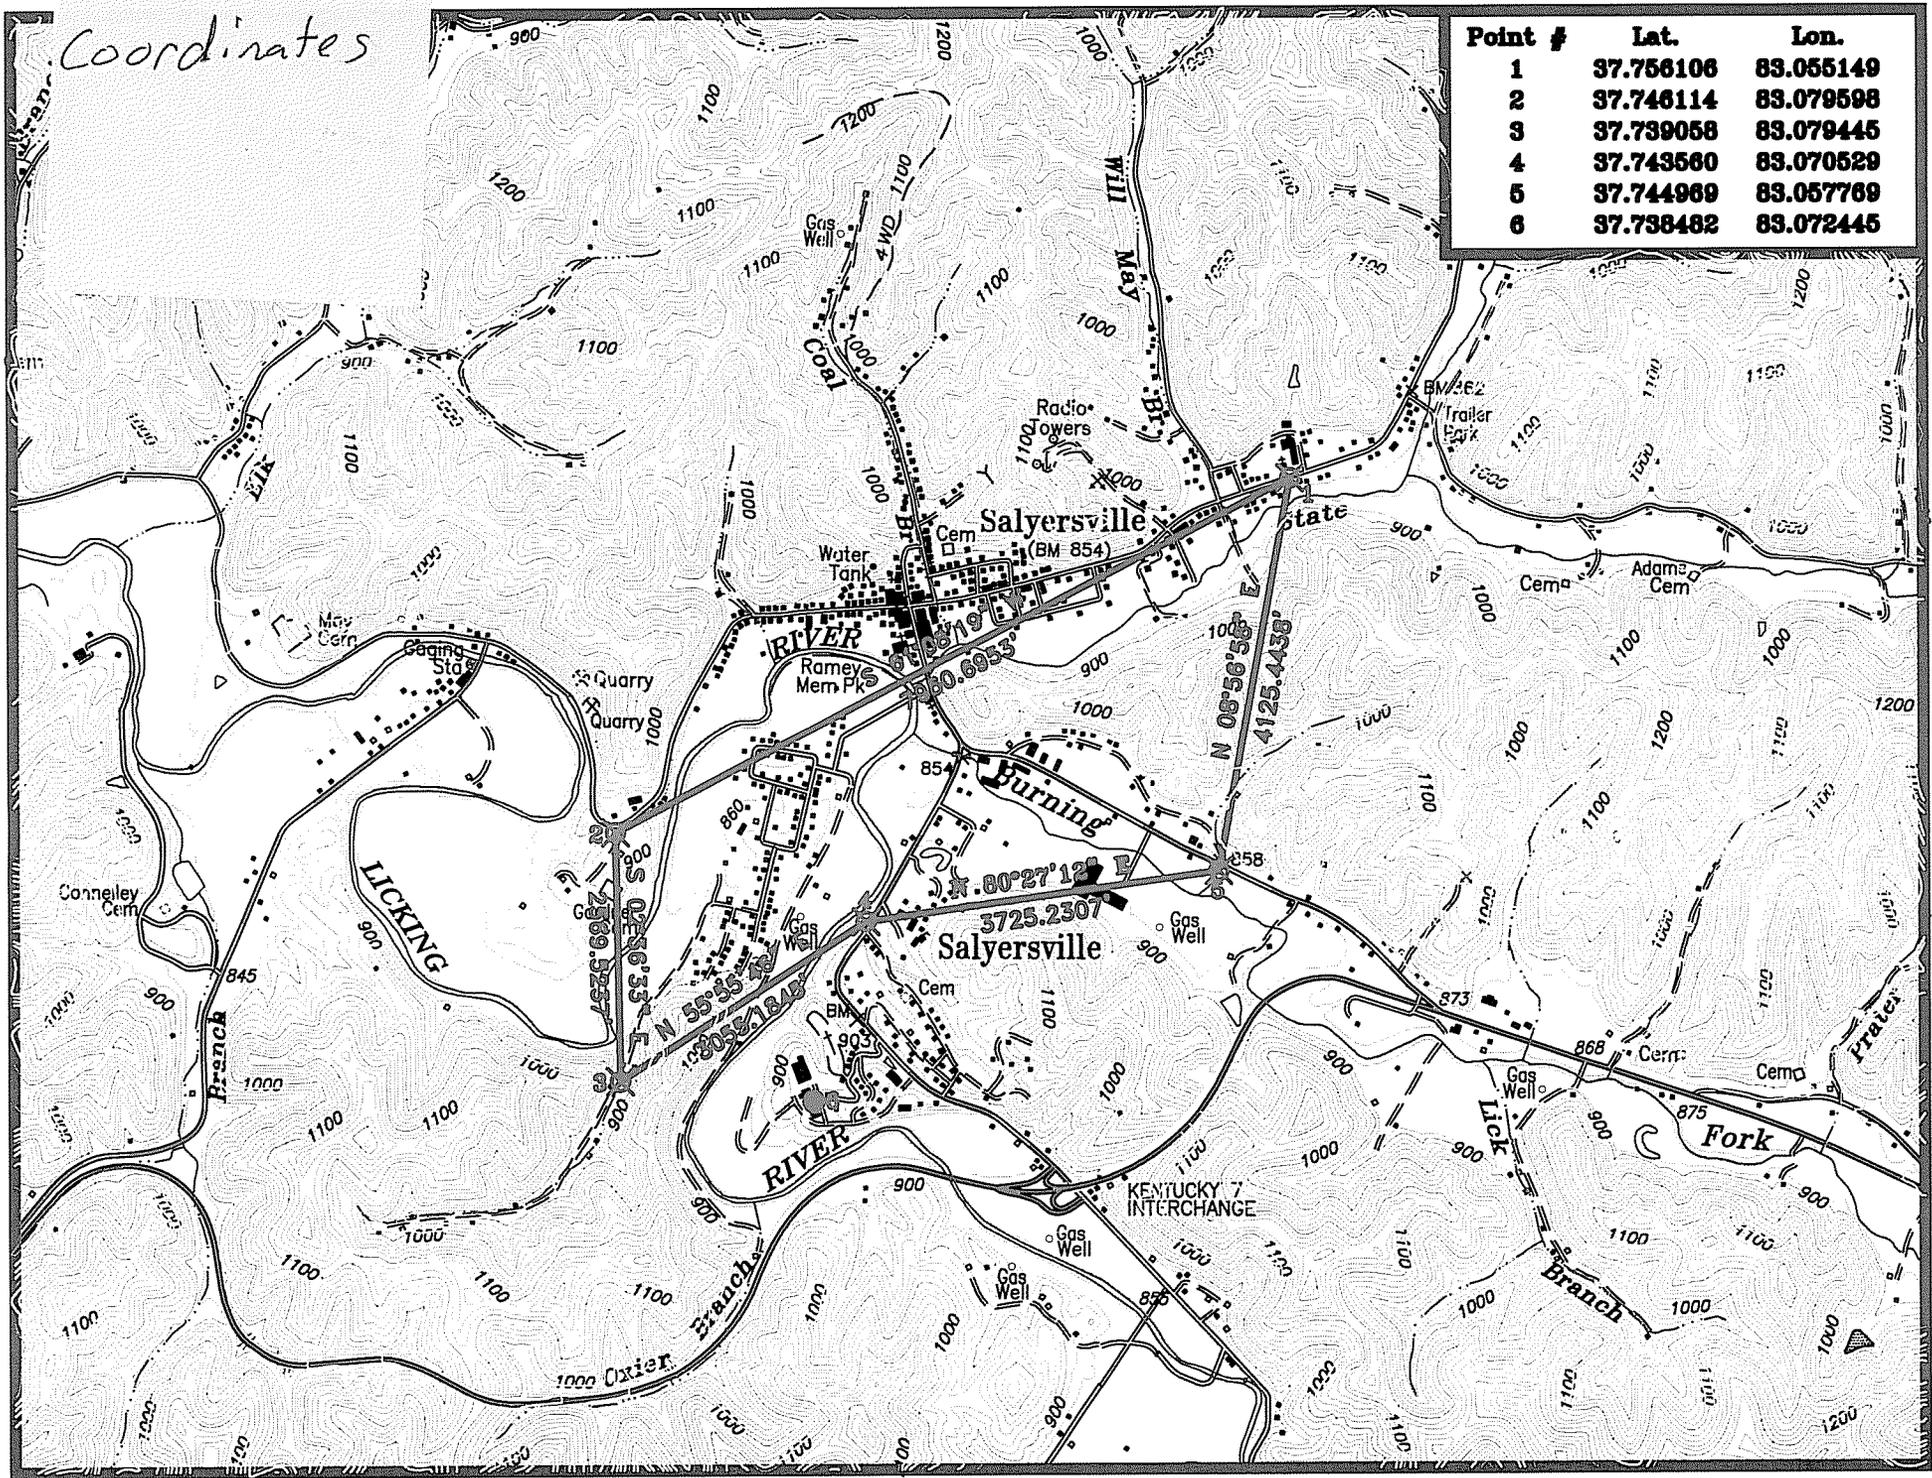

Magoffin County Judge/Executive
