**RE: AN EXAMINATION BY THE PUBLIC SERVICE COMMISSION  
OF THE ENVIRONMENTAL SURCHARGE MECHANISM OF  
LOUISVILLE GAS AND ELECTRIC COMPANY FOR THE SIX-  
MONTH BILLING PERIOD ENDING OCTOBER 31, 2006 AND  
FOR THE TWO-YEAR BILLING PERIOD ENDING APRIL 30,  
2007 - CASE NO. 2007-00380**

Dear Ms. Stumbo:

On April 17, 2008, Louisville Gas and Electric Company ("LG&E") filed revised tariff sheets to reflect the roll-in of a portion of the current ECR factor into existing base rates, as authorized by the Commission's Order dated March 28, 2008, in the above-referenced proceeding.

It has come to my attention that the Twenty-Third Revision of Original Sheet No. 1, containing the General Index, which was a part of the above-mentioned filing, did not include a reference to the Brownfield Development Rider which had recently been approved as well. Therefore, enclosed are an original and four copies of a revised Twenty-Third Revision of Original Sheet No. 1, which includes the Brownfield Development Rider.

Should you have any questions concerning the enclosed, please contact me at your convenience.

Sincerely,

Robert M. Conroy
