INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Main Case File – Case No. 2007-00381
FROM: Isaac Scott, Team Leader 
DATE: November 2, 2007
SUBJECT: October 31, 2007 Informal Conference

Pursuant to the Commission's September 19, 2007 Order, an informal conference was held on October 31, 2007. Attached to this memorandum as Attachment 1 is a list of the participants. The purpose of the conference was to discuss Kentucky Power Company's ("Kentucky Power") October 24, 2007 filing which consisted of testimony and responses to the Staff's First Data Request.

Kentucky Power opened the discussion with a brief overview of its filing and noted minor corrections to the testimony filed on October 24, 2007. Commission Staff asked several questions concerning Kentucky Power's proposal to address a meter issue that will impact the environmental surcharge. While the meter issue actually affects the first month after the review period in this case, Kentucky Power wanted to bring the issue to the table in this review. The meter issue also affects Kentucky Power's current fuel adjustment clause review proceedings.

Commission Staff suggested that if there were no intervenors in this proceeding, the Commission would issue an Order asking Kentucky Power to indicate whether it wanted a public hearing or wished to waive its right to a hearing and have the case submitted on the record without a hearing.

There being nothing further to discuss, the conference was adjourned.
