Re: Case # 2007-00398

Dear Eric Bowman:

East Kentucky Network LLC, dba Appalachian Wireless are in the beginning stages of preparing a tower site in Honey Branch on the Johnson and Martin County line. Our development has been stalled because of a letter written to the Public Service Commission by Deborah Ward Pelphrey of 645 Mill Branch Road Paintsville, Ky., claiming to own the property at our tower site location.

Dennis Shepherd and Randy Coleman of East Kentucky Network met with Ms. Pelphrey on October 11, 2007. On that day she agreed that our location was not on or close to her land. She also stated that she would write a letter to the Public Service Commission in order to clear the situation.

As of today, October 17, 2007, we have not heard any response regarding this letter. Please let us know what our next step should be in order to continue our tower development.

If you have any questions or information regarding this case please contact me at 606-785-9500.

Sincerely,

Marty W. Thacker
