Nov. 2 - 2007

Dear Beth O'Donnell,

I want to oppose and protest the sewer rate increase requested by Carroll Coogan Companies in Case #2007-00436. I was told by some of my neighbors they couldn't afford the first increase, and none of us can afford the new proposed rate increase in this case for interest rate recovery.

I believe this to be unfair and illegal, according to previous agreement.
