RE: William and Dessie Calhoun and Cal & Cal, Inc.
Docket No.: 20007-00440

Dear Executive Director:

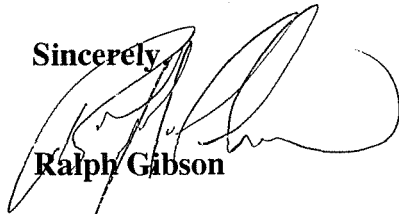

I represent William and Dessie Calhoun who have received a letter from David B. Jantzi dated November, 15, 2007 related to Shared Sites, LLC and American Cellular Corporation who are making application to construct and operate a tower and ground level shelter at 510 Heath Road, Burnside, KY. 42519. In addition to William and Dessie the deed is titled to Cal & Cal, Inc., a Kentucky Corporation, who I also represent.

I have been asked by my clients to provide an appropriate response to the inquiries set forth in the letter. My clients do own property located within 500 feet of the proposed tower. As a result thereof they wish to "intervene" in this matter for the purpose of attending all scheduled events, receiving notification of all events or occurrences and receiving appropriate copies of documents related to this request.

It is my client's belief that the construction of the proposed tower will result in significant devaluation of their property and potential negative health effects.

Please direct any communication related to this matter through my office.

Sincerely,

Ralph Gibson

RDG/cs
