Re: Corrected cover letter for Attorney General's filing of supplemental request  
for information in Case No. 2007-00455

Dear Mrs. O'Donnell:

Please let this letter serve as a corrected cover letter pertaining to the Attorney General's filing of supplemental request for information yesterday in Case No. 2007-00455. The letter should have outlined the breakdown of information as follows. A public version, or completely Redacted copy, was filed for the request to the Joint Applicants, a completely Redacted copy of the request to the smelters and an Unredacted copy to the member cooperatives (none of the information requested was confidential). All Unredacted Copies are filed under seal in one envelope by item number as listed.

- Item 1 Commission: Completely Unredacted Copies of All Requests,  
and All Items Listed Below
- Item 2 E.ON U.S. Parties: Unredacted Copies of All Requests
- Item 3 Big Rivers: Unredacted Copies of All Requests
- Item 4 BREC's Member Cooperatives: Redacted Copies of All Requests
- Item 5 Smelters: Unredacted Copies of All Requests
- Item 6 Henderson: Redacted Copies of All Requests

The basis for the "roadmap" employed for ascertaining the degree of disclosure resulted from a series of emails pursuant to my inquiry on the subject. It is the hope and the intent of the Attorney General that no inadvertent disclosure has occurred yet that all

information publicly available has been filed and all parties have received their respective requests.
