RE: The Application of Big Rivers Electric Corporation for: (i) Approval of Wholesale Tariff Additions for Big Rivers Electric Corporation, (ii) Approval of Transactions, (iii) Approval to Issue Evidences of Indebtedness, and (iv) Approval of Amendments to Contracts; and of E.ON U.S. LLC, Western Kentucky Energy Corp., and LG&E Energy Marketing, Inc. for Approval of Transactions
Case No. 2007-00455

Dear Ms. O'Donnell:

This letter is in response to the Commission's Order of February 6, 2008, requesting responses to the Attorney General's Motion to Disqualify Commissioner Clark from participating in this proceeding. Time is of the essence with regard to the transactions at issue; and the Attorney General's motion vigorously objects to Commissioner Clark participating in any capacity. Because that ongoing objection, as well as potential interlocutory appeals that may result if Commissioner Clark determines that she should participate, could result in significant costs to the parties in this case and undue delay in the proposed transaction, we believe that the better course is for Commissioner Clark to disqualify herself in this case.

Yours very truly,

Kendrick R. Riggs
