**Response to the Commission Staff's First Data Request to
Big Rivers Electric Corporation
Dated February 1, 2008**

Case No. 2007-00455

Question No. 8

Witness: Rusty Hudson

- Q-8. Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
- a. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.
- A-8. a. The WKEC additions are recorded on the WKEC books at the acquired value amount. The contra assets represent the contributions from BREC for their share of either the capital budget limit or incremental assets. See attached.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

Western Kentucky Energy Corp.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

Western Kentucky Energy Corp.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big River since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big River's books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

Company	Sys No	Status	Description	Disposal Date	Acq Date	Acquired Value	Amount Disposed	Shared Capital

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

No. 8 Provide a schedule listing all the capital additions made by WKEC and its affiliates to the generating assets leased from Big Rivers since the inception of the lease transaction.
 A. For each capital addition provide a brief description of the addition, the total cost of the addition, and an explanation of how the addition was recorded on either WKEC's or Big Rivers' books.

Western Kentucky Energy Corp.
