I am replying to the letter
Case Number 2007-00501 about a
tower that you want to put at
260 Walnut Hill Road, Casey County,
Liberty, Ky. 42539

I do not want the tower put
that close to my property. I do not
feel that it is safe to be
that close to people with a
tower like this. And I think
it would decrease the value of
my property.
