Dear Sir:

In reference to the letter we received about the construction of a tower, that you are wanting to put at 260 Walnut Hill Road, Liberty, Casey County, Kentucky 42539. Case No. 2007-00501.

I do not want a tower, that close to my home. I do not think that it would be safe to live that close to a tower like this, and I think it would decrease the value of my property.
