Re: Louisville Gas and Electric Company's Petition for Confidential Protection,  
PSC Case No. 2007-00559

Dear Ms. Sturgeon:

The Public Service Commission has received Louisville Gas and Electric's Petition for Confidential Protection, filed December 28, 2007, requesting to classify and protect as confidential certain information contained on LG&E's Exhibit B-1, pages 5 and 6, consisting of the identities of its gas suppliers for the period of August through October, 2007. A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert A. Amato".
