In the Matter of:

THE APPLICATION OF MUHLENBERG COUNTY WATER DISTRICT #3 TO REVISE CERTAIN NON-RECURRING CHARGES

CASE NO. 2008-00056

<u>ORDER</u>

On February 13, 2008, Muhlenberg County Water District #3 ("Muhlenberg District #3") applied for authority to revise certain non-recurring charges. Muhlenberg District #3 was notified that its filing was deficient and required certain information to be filed in order that the application could be deemed administratively complete. On February 25, 2008, Muhlenberg District #3 corrected these deficiencies and its application was accepted for filing. On April 18, 2008, the proposed rates were suspended for five months from May 1, 2008 through September 30, 2008 and a request for information was issued to Muhlenberg District #3. Muhlenberg District #3 filed information related to the information request on April 28, 2008.

On June 2, 2008, Muhlenberg District #3 filed amended tariff language in support of its application. This requested tariff language complies with 807 KAR 5:011, Section 10 for non-recurring charges. Such charges are intended to be limited in nature and to recover the specific cost of the activity. We find that the tariff language as filed by Muhlenberg District #3 on June 2, 2008 meets that criteria. Muhlenberg District #3 has provided adequate evidence of the individual expenses incurred to provide the services associated with the proposed charges.

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. The proposed charge is equal to the expenses incurred to provide the associated service.

2. The charge and policy set forth in Appendix A to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charge and policy in Appendix A are approved for service rendered on and after the date of this Order.

2. Within 20 days of the date of this Order, Muhlenberg District #3 shall file with the Commission a revised tariff sheet showing the charge and policy approved herein.

Done at Frankfort, Kentucky, this 11th day of June, 2008.

Case No. 2008-00056

APPENDIX A

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE COMMISSION IN CASE NO. 2008-00056 DATED JUNE 11, 2008

The following policy and charges are prescribed for the customers in the area

served by Muhlenberg County Water District #3. All other policies, rates and charges

not specifically mentioned herein shall remain the same as those in effect under

authority of the Commission prior to the effective date of this Order.

DENIAL-OF-ACCESS CHARGE:

A customer must provide meter access to district employees for meter reading purposes. If the district cannot read a customer's meter due to a lack of reasonable or unobstructed access, the district will contact the customer and negotiate corrective action and an agreed date and time for the meter to be read by the district. At the agreed-upon date and time, the customer shall provide access to the meter by moving any obstruction, restraining any animal, or removing anything that prevents access to the meter. If the customer fails to provide meter access at the agreed-upon date and time, the district shall assess the customer a denial of access charge of \$25.00 to recover the cost of providing the special service. The customer bill will be estimated and the \$25.00 denial-of-access charge will be placed on the next bill as a separate line item.
