Re: Confidentiality Request, PSC Case No. 2008-00110

Dear Mr. Hutchinson;

The Public Service Commission has received Atmos Energy Corporation's Petition filed March 26, 2008 requesting to protect as confidential, certain information contained in its Gas Cost Adjustment for the quarterly period commencing May 1, 2008. This information is described as Exhibit D, page 5 of 5, which contains actual price information paid to gas suppliers and the weighted average cost of gas schedules filed in support of Exhibit C, page 20, which contains prices projected to be paid for purchase contracts.

A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the Petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
