Re: Louisville Gas and Electric Company - Petition for Confidentiality received  
6/30/08  
PSC Case No.: 2008-00246

Dear Mr. Cornett:

The Public Service Commission has received Louisville Gas and Electric Company's Petition for confidential treatment requesting to protect as confidential certain information contained in its Quarterly Gas Supply Clause filing. This information is described as information contained on pages 5 and 6 of Exhibit B-1 of the February 2008 - April 2008 Summary of total purchased gas costs, which contains sensitive commercial information identifying its natural gas suppliers and specific gas volumes and costs.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, Louisville Gas and Electric Company is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,  
Executive Director
