RECEIVED

APR - 6 2009

PUBLIC SERVICE  
COMMISSION

In the Matter of:

Alleged Failure of the City of Danville to Comply with  
KRS 278.160 and 278.180 and the Commission's  
Order of August 10, 1994 in Administrative Case  
No. 351

Case No. 2008-00176

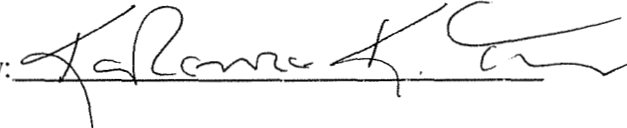

**Motion for Extension of Time re  
Deadlines Set During the 3/10/09 Hearing**

The City of Danville ("the City") hereby requests an extension of the schedule for briefing and for responding to hearing data requests set during the 3/10/09 Hearing. As suggested by the Hearing Officer (*see* Transcript pgs. 199-200), the parties met that day to discuss agreeing on a resolution, rather than the Commission having to take action. The parties have made progress, and continue to work toward a resolution of their disputes, including over the 2005-2007 purchase power adjustments to rates that affected billings from mid-2005 through mid-2008. However, at this point, an extension is necessary for the parties to further discuss settlement of their various disputes, to clarify rates going-forward and their proper application, and to put the parties on a firmer footing with each other with respect to adjustments in rates that may occur in the future.

WHEREFORE, the City respectfully requests that the Commission extend the deadline for filing responses to the hearing data requests to April 24, 2009, and the deadline for the briefs to April 30, 2009.

Respectfully submitted,

ATTORNEYS FOR THE CITY OF DANVILLE
