RE: Case No. 2008-00204  
Jessamine-South Elkhorn Water District  
(Purchased Water Adjustment)  
Filing Deficiencies

Jessamine-South Elkhorn Water District's application in the above case has been reviewed. The filing is rejected for the reasons set forth below.

1. Filing deficiencies pursuant to 807 KAR 5:001, Section 3 (3) – Copy of supplier's notice of the changed rated and the effective date.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If Jessamine-South Elkhorn Water District's filing contains a proposed effective date, the rejection of this filing for reasons of deficiency voids that proposed effective date. When filing the required information to correct the deficiencies, Jessamine-South Elkhorn Water District may re-file its proposed tariff with a new proposed effective date that is at least 30 days from the date the required information is filed.

Please file an original and ten copies of this information within 15 days of the date of this letter. If you need further assistance, please contact Lisa Taylor at 502-564-3940.

Sincerely,

David R. McDowell
