In the Matter of:

ASSESSES )

ORDER

On June 9, 2008, the city of Nicholasville, Kentucky ("Nicholasville") filed with the Commission proposed revisions to its rate for wholesale water service to reflect increases in fees that the Kentucky River Authority assesses for water withdrawals from the Kentucky River. Nicholasville requests that the notice period that KRS 278.180 requires be reduced to 20 days.

Having reviewed Nicholasville's submission and being otherwise sufficiently advised, the Commission finds that good cause exists to accept the proposed rate revision and to reduce the required notice period to permit the proposed adjustment to become effective June 22, 2008.

IT IS THEREFORE ORDERED that:

1. The time period in which Nicholasville must provide notice to the Commission of the revisions to its wholesale water service rate is reduced to 20 days.
2. The proposed revisions to Nicholasville's wholesale water service rate are accepted and effective as of June 29, 2008.

3. The proposed revised tariff sheet is accepted.
4. The Commission's Executive Director shall file the revised tariff sheet with the published tariffs of Nicholasville.

Done at Frankfort, Kentucky, this 23rd day of June, 2008.

By the Commission
