RE: Green-Taylor Water District
Case No. 2008-00243
Filing Deficiencies

Dear Mr. Netherland:

This letter is to advise that your application remains deficient of the following item(s):

Filing deficiencies pursuant to 807 KAR 5:011:

- (1) Section 10(1)(b) – Statement by utility confirming that copy of filing was simultaneously sent to the Attorney General (Attorney General has 10 days to notify PSC if he requests a hearing).
- (2) Section 10(1)(c) – Statement explaining why proposed changes could not have been included in last rate case and why current conditions prevent deferring change until next rate case.
- (3) Section 10 (1)(d) – Impact statement identifying group of customers (both existing and potential) affected by proposed change.
- (4) Section 10(1)(e) – Income statement and balance sheet for a recent 12-month period.

- (5) Section 10(2) – If the additional revenue to be generated from the proposed tariff revisions exceeds by five (5) percent the total revenues provided by all miscellaneous and non-recurring charges for a recent twelve (12) month period, the utility must file, in addition to the information set out in subsection (1)(a) of this section, the following: An absorption test showing that the additional net income generated by the tariff filing will not result in an increase in the rate of return (or other applicable valuation methods) to a level greater than that allowed in the most recent rate case. Any general rate increases received during the twelve (12) month period must be annualized. Any significant cost changes may be included but must be documented as part of the filing.
- (6) Section 8, 9(2) – Is copy of public notice included?

Please furnish 10 copies of this information within 10 days of the date of this letter. If you need further assistance, please contact Jason Green at 502-564-3940 ext. 470.

Sincerely,

David R. McDowell
