PUBLIC SERVICE  
COMMISSION

In the Matter of:

PROPOSED ADJUSTMENT OF THE WHOLESALE )  
WATER SERVICE RATES OF ) CASE NO. 2008-00250  
FRANKFORT ELECTRIC AND WATER )  
PLANT BOARD )

**MOTION FOR HEARING**

Comes the Frankfort Electric and Water Plant Board ("FEWPB") by counsel, and for its Motion for Hearing hereby states as follows:

On June 6, 2008, FEWPB filed with the Commission its revised tariff reflecting an increase in its wholesale water rates. Thereafter, Elkhorn and Peaks Mill Water Districts as well as the North Shelby and U.S. 60 Water Districts moved to intervene.

After filing its Response to the Commission's Order of July 2, 2008, an informal conference was held on August 21, 2008. Subsequent to this conference, FEWPB adjusted its proposed wholesale rate and responded to additional data requests filed by Commission Staff as well as Elkhorn and Peaks Mill Water Districts.

On September 23, 2008, FEWPB asked that the Commission consider scheduling another informal conference. The conferences are an effective method to resolve questions regarding the proposed rate. However, given that all discovery has been completed to date FEWPB now requests that the Commission consider scheduling this matter for hearing. FEWPB staff and experts are available for hearings the week of November 17, 2008, the week of December 1, 2008 and December 15-17, 2008.

**WHEREFORE**, FEWPB respectfully requests that the Commission schedule a hearing for this case at a time convenient for Commission staff and all parties.

Respectfully Submitted:
