In the Matter of:

Proposed Wholesale Water Rate }
Increase Filed by Frankfort }
Electric and Water Plant Board } CASE NO. _____

MOTION FOR FULL INTERVENTION

Comes North Shelby Water Company ("North Shelby") and U.S. 60 Water District of Shelby and Franklin Counties, Kentucky ("U.S. 60"), by counsel, and respectfully move that they be granted leave to fully intervene in the captioned rate case. As grounds for this motion, U.S. 60 states that Frankfort Electric and Water Plant Board ("Frankfort") provide almost all of the water for its customers. North Shelby purchases approximately one-half of its water from Frankfort. The proposed rate increase, if granted, would significantly increase the water rates for both North Shelby and U.S. 60's customers and therefore both utilities respectfully request full intervention in this case.

Respectfully submitted,

Mathis, Riggs & Prather, P.S.C.
