Dear Ms. Decker:

The PSC has received your comments regarding the rate hike requested by Louisville Gas and Electric Co. Kentucky Utilities Co. Your comments will be placed into the case file for the Commission's consideration. For your future reference, the case number in this matter is 2008-00251 or 2008-00252. Please reference this case number in any future correspondence.

The case file in this matter, as in all matters before the PSC, is available at the PSC Web site.

Thank you for taking the time to share your views.

Note: I am resending this to you because my earlier e-mail contained the wrong case numbers. My apologies.

Please deny EON's proposed rate increase. KY especially the Louisville area has seen various large companies laying workers off recently. This \$13 a month increase could mean the difference in a family eating or not eating. With elderly people on fixed incomes this \$13 could make or break them. We have already seen an increase in the Louisville area of families needing help. Thanks for the consideration.
