

Dear Mr. Spicer:

The PSC has received your comments regarding the rate adjustment requested by Louisville Gas and Electric Co. Your comments will be placed into the case file for the Commission's consideration. For your future reference, the case number in this matter is 2008-00252. Please reference this case number in any future correspondence.

The case file in this matter, as in all matters before the PSC, is available at the PSC Web site.

Thank you for taking the time to share your views.

Andrew Melnykovich
Director of Communications
Kentucky Public Service Commission

Subject: LG&E RATE INCREASE
Auto forwarded by a Rule

Please explain why LG&E should be granted a rate increase to provide cash to be used to build additional production facilities which will permit them to increase sales and hence profits? I believe they are guaranteed to make a profit but do not see the connection between this and the above.

Thank You
John Spicer
