**RE: DSM PROGRAM Charges:
(Eon Shareholder Protectionism**

1/5/2009

Since 1995)

When will this be abolished?

WHY did the DSM rate line item double on October and November 2008 bills?.. to compensate shareholders when we suffered with no service?

The more we conserve power, the more recovery for “revenue loss” will be granted eon shareholders. The “BRIDGE TO NOWHERE” for KY citizens. How many millions \$\$\$ more?

DSM does not work unless the market is a monopoly for the utility and all 3 elements of DSM are implemented in very few communities in U.S. and Canada. Why us?
