PUBLIC SERVICE  
COMMISSION

Dear Commissioners and Staff,

We hear that the rate increase has been settled and it is favorable for the community at large. Please accept my appreciation for your work on the case and the public meetings scheduled to let citizens participate in the process. I was glad to be able to see the members of the Commission and put faces with the names in the news. It made me more aware of the difficult task the Commissioners are faced with to balance the competing interests of the Commonwealth. I think all participants demonstrated what a great community we live in. Thanks again.

Sincerely,

Dr. D.D. Carlson
