Gentlemen!

PUBLIC SERVICE  
COMMISSION

This is in reference to  
L & E's rate increase. Reference  
NO 2008-00252. The increased  
utility rates are not welcome  
in Aldham. The economy is  
in a bad situation, and it is very  
hard on seniors citizens to make  
ends meet. We are all on a  
limited income with all of  
our others bills to pay. There  
is the grocery bill, medicals, RX's  
insurance, gas and many more  
it go on and on. It is very hard  
to stay on top.
