In The Matter Of:

APPLICATION OF LOUISVILLE GAS AND ELECTRIC)
COMPANY, INC. FOR AN ADJUSTMENT OF ITS) CASE NO.
ELECTRIC AND GAS BASE RATES) 2008-00252

MOTION FOR FULL INTERVENTION
BY ASSOCIATION OF COMMUNITY MINISTRIES

Comes now, ASSOCIATION OF COMMUNITY MINISTRIES ("ACM"), by counsel, and files this Motion for Full Intervention in the above-styled proceeding.

ACM is a Kentucky 501(c)(3) nonprofit corporation and its membership is comprised of 15 independent community ministries that provide services to the Louisville Metro area. The common mission for all 15 members is to provide an emergency assistance network in partnership with the Louisville Metro Government, local congregations, and other businesses and organizations. Each Ministry serves a specific geographical area to ensure that all of Louisville Metro is covered under the umbrella of the ACM. Among the social services provided by ACM members are utility assistance programs. ACM members assist low-income households whose utility service is disconnected by Louisville Gas & Electric Co. ("LG&E") because of their inability to pay utility bills by providing both financial assistance and advocacy. ACM members also implement the Winterhelp program. ACM's address is P.O. Box 99545, Louisville, Kentucky 40269.

ACM has a major interest in this proceeding. Year round, ACM member agencies provide direct service to low-income LG&E customers who cannot pay their

utility bills and face disconnections. Unfortunately, ACM member agencies do not have sufficient financial resources to assist all those in need and they are gravely concerned that increased rates will lead to more low-income LG&E customers facing shut offs and going without vital gas and electric service.

ACM participated as an intervenor before the Public Service Commission in the recently concluded Investigation of the Energy and Regulatory Issues in Section 50 of Kentucky's 2007 Energy Act.¹ ACM also participated before the Commission as a Joint Applicant in the most recent Home Energy Assistance Program in the Louisville Gas and Electric service territory.² ACM has taken over the advocacy activities previously conducted by Metro Human Needs Alliance ("MHNA"), which intervened before the Commission in the last Louisville Gas & Electric rate case.³

ACM represents an interest that is not otherwise adequately represented, and full intervention by it is likely to present issues and develop facts that will assist the Commission in fully considering this matter without unduly complicating or disrupting the proceedings.

WHEREFORE, the Association of Community Ministries requests that it be granted full intervention as a party to this proceeding.

¹ Administrative Case No. 2007-00477.

² *Joint Application of Louisville Gas & Electric Co., Association of Community Ministries, Inc., People Organized and Working for Energy Reform and Kentucky Association for Community Action, Inc. for the Establishment of a Home Energy Assistance Program, Case No 2007-00337.*

³ *An Adjustment of the Gas and Electric Rates, Terms and Conditions of Louisville Gas and Electric Company, Case No. 2003-00433.*

Respectfully submitted,
