**SOUTHEAST TELEPHONE, INC.'S
NOTICE OF PARTIAL WITHDRAWAL OF MOTION**

SouthEast Telephone, Inc. (“SouthEast”), by counsel, hereby files notice that it withdraws that portion of its Motion to Incorporate Additional Compliance Issues filed on March 3, 2009 (the “Motion”), which requests Commission action in this case on the refusal of BellSouth Telecommunications, Inc. d/b/a AT&T Kentucky (“AT&T”) to provide commingled elements to SouthEast to replace the parties’ current wholesale local platform (“WLP”) arrangements at remote terminals. SouthEast withdraws this portion of its Motion without prejudice to its right to file a complaint concerning the issue at some future time.

SouthEast continues to urge the Commission to consider, in this proceeding, the other issues raised in its Motion, including [1] AT&T’s imposition of installation, rather than conversion charges, for converting SouthEast’s existing lines from WLP to commingled elements, and [2] AT&T’s placement of irrelevant and unlawful additional qualifications on SouthEast’s ability to order the port commingled with a copper loop, non-design.

Respectfully submitted,

Deborah T. Eversole
