Re: Ohio County Water District
Formal Application to Revise Certain Non-Recurring Charges

CASE NO: 2008-00317

Dear Ms. O'Donnell:

This is an application to add tariff language for accepting credit/debit card payments from customers. Attached is the proposed tariff sheet which includes the policy and cost formula for the service.

The District is not requesting a water rate increase at this time. The customers affected by these charges will be the customers that utilize the credit/debit card payment option.

The District has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance whets are currently on file with the Commission.

The District will publish the enclosed public notice of the requested rate in the local newspaper for three consecutive weeks, and will follow up with an affidavit from the newspaper verifying that the notice was published for three consecutive weeks.

A copy of this application and related filings has been sent to the Office of the Attorney General, State Capitol Building, Suite 118, Frankfort, KY 40601.

Should you have any questions or need additional information, please advise.

Sincerely,

Walt Beasley
