RATES AND CHARGES

Tap Fee: \$650.00

Addendum 1. "Tap-On Fees": From the initial design and construction, but before completion of a project, the Tap-On Fee will be \$350.00 for a standard 3/4" meter. A meter barrel must be installed at this time. The Tap-On Fee will be paid at the time the resident requests water service whether it occurs during the construction period or anytime thereafter. The placement of a meter barrel does not obligate the resident to connect to the water and there is no cost involved.
