Re: Case No. 2008-00377

Dear Ms. Stumbo:

It has come to my attention that I failed to notify the Commission that the training referenced in the above case was performed. Please accept my personal apology for this oversight.

Kentucky Rural Water Association (KRWA) hosted three regional meetings during the month of October, 2008. On behalf of Kentucky Rural Water Association, I hereby attest that the programs herein referenced as Case No. 2008-00377 were performed as approved and scheduled on October 14 (Morehead), October 16 (Lewisport), and October 23, (Draffenville). As required, KRWA has retained a record of all persons requesting commissioner training hours for these approved courses.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for your leadership and support in approving the training offered during our Regional Meetings.

Sincerely,

Janet Cole  
Education Coordinator
