Frankfort, KY 40602-0615

Dear Sirs:

RE: Case No. 2008-00393

Attached is a copy of the revised rate schedule. A typing error on a rate increase in January, 2002 showed the rate for over 40,000 gallons as 2.11 per thousand. This error was brought forward with the rate filing of case no. 2008-00393. The rates should read first 2,000 gallons as \$12.21, next 8,000 gallons as \$4.35, next 10,000 gallons as \$3.75, next 30,000 gallons as \$3.05 and finally over 50,000 gallons as \$2.50.

We appreciate your efforts to correct this error.

Sander Say

Sincerely,

Sandra Gary

Office Manager
