We received your letter concerning a filing deficiency on our tariff for credit/debit cards. I had spoken to Brent Kirkly today and he said to send another tariff sheet correcting the effective date for the tariff. Please find enclosed the corrected tariff sheet.

If there are any further questions, please let me know.

RATES AND CHARGES

CREDIT / DEBIT CARDS:

All customers may pay their bill by credit or debit card. This method of payment may be made in person at the utility office or by telephone.

If on the bill due date an attempt to pay with the credit card or debit card is made and the card is declined for any reason, payment is still due in full on that day and will be considered late after that date. All late charges and penalties will be applied. If a customer is paying on our disconnect day and the card is denied, the same rules as above apply, in addition to service being disconnected

When a customer makes a payment by credit or debit card, the utility will assess a fee equal to that charged to the Utility by the credit or debit card processing company to process the transaction. This fee is generally calculated using a formula applied to the balance of the amount charged to the credit or debit account but may be a flat fee per transaction. Prior to processing the transaction, the customer will be informed of the fee amount and upon request by the customer, the formula employed to arrive at this fee amount.
