Ms. Stephanie Stumbo  
Executive Director  
Kentucky Public Service Commission  
211 Sower Boulevard  
Frankfort, KY 40601

**Re: Case No. 2008-00408 Consideration of the New Federal Standards of the  
Energy Independence and Security Act of 2007**

Dear Ms. Stumbo:

Please find enclosed the original and ten (10) copies of the Petition to Intervene of Trilliant Inc. in the above referenced matter. Please enter this into the docket and time-stamp the additional two (2) copies and return to us in the enclosed self addressed stamped envelope.

If you have any questions regarding this filing, please do not hesitate to call us at (717) 233-5731.

Best regards,

RHOADS & SINON LLP

**PETITION TO INTERVENE ON BEHALF OF TRILLIANT INC.**

---

AND NOW COMES, **Trilliant Inc.** (“Trilliant”), by and through its counsel, **Scott H. DeBroff, Esquire** and **Alicia R. Petersen, Esquire** of Rhoads & Sinon LLP for the purpose of filing this “Petition For Full Intervention” with respect to the proceeding of the Kentucky Public Service Commission (“KPSC” or the “Commission”) to permit the Commission to consider the new federal standards of the Energy Independence and Security Act of 2007 regarding integrated resource planning, rate design modification to promote energy efficiency investments, consideration of Smart Grid investments, Smart Grid information and the use and prevention of industrial waste energy. On their behalf, we aver the following:

1. Trilliant, with its corporate headquarters in Redwood City, California, is primarily focused on advanced metering infrastructure (AMI) solutions, which enable utilities to develop time-of-use (TOU) metering and demand response programs. These programs are transforming the traditional customer-utility relationship through interval based consumption data and 2-way messaging.

2. Trilliant is a party interested in the above-captioned docket as it provides open standards-based network solutions to utilities for advanced metering infrastructure (AMI), demand response, and grid management. Its solutions enable utilities to better serve their customers, develop new revenue sources, and reduce overall expenses.

3. Trilliant has been involved extensively in related proceedings, like the EPACT 2005 proceedings across the country and before other state public utility commissions. Our interest in intervening in this proceeding is to inform and educate the Commission on the issues of Smart Grid Investments and Smart Grid information and their value to both utilities and customers.

4. Trilliant has a substantial and bona fide interest in the subject matter of this docket and its interests cannot be represented or protected adequately by other existing parties to this docket.

5. Trilliant intends to play a constructive role in the Commission's decision-making process herein and their participation will not unduly prejudice any party.

6. Trilliant respectfully requests that its "Petition for Full Intervention" be granted and that it be given full party status in this case and placed on the Commission's Official Service List for this docket.

7. Trilliant's attorneys and to whom all correspondence and pleadings in this docket should be directed to are:
