RE: Case No. 2008-00408
Consideration of the New Federal Standards of the Energy Independence
and Security Act of 2007

Pursuant to the Commission Staff's notice of July 2, 2009, an informal conference was held at Duke Energy Kentucky, Inc.'s Envision Center on July 8, 2009. A list of the attendees is attached hereto.¹ The purpose of the informal conference was to allow the parties an opportunity to tour the Envision Center – an interactive exhibit and demonstration center demonstrating integrated smart grid technologies. Due to size limitations, the tour was divided into two groups. The first group toured the Envision Center at 10:00 a.m., Eastern Daylight Time. The second group toured the Envision Center at 1:00 p.m., Eastern Daylight Time. The conference began with a video presentation followed by a guided tour of the demonstration center. At the conclusion of the tour, representatives of Duke Energy Kentucky, Inc. answered questions posed by the parties. There being no further discussions, the conference was adjourned.
