Re: Louisville Gas and Electric Company - Petition for Confidentiality received 10/01/08
PSC Reference – Case No. 2008-00430

Dear Sir/Madam:

The Public Service Commission has received Louisville Gas and Electric Company's Petition for confidential treatment requesting to protect as confidential certain information contained in Exhibit B-1, pages 5 and 6 of its Quarterly Gas Supply Clause filing for the period May, 2008 through July, 2008. The information is described as sensitive information identifying Louisville Gas and Electric Company's natural gas suppliers, and links those providers with specific gas volumes and their costs.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, Louisville Gas and Electric Company is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo
Executive Director
