I, KEVIN HOWARD, am the engineer for Salyersville Water Works. As the engineer for Salyersville Water Works I will testify and be available to address technical questions regarding the raw water intake maintained by the Salyersville Water Works for the Licking River as well as two deep wells and other possible sources of raw water for the Salyersville Water Works treatment plant. I will also address the interconnection ~~made with the Paintsville Utility Commission and the potential amount of water that can~~ produce in an emergency situation.

I certify that the foregoing statements are true and accurate to the best of my knowledge after reasonable investigation, and adopt them as my sworn testimony, as if under oath.

KEVIN HOWARD, ENGINEER
OF SUMMIT ENGINEERING, FOR
SALYERSVILLE WATER WORKS
