Dear Mr. Kirtley:

We have made an increase in the Non-Recurring charge for Meter Connection/Tap-ons for the West Carroll Water District.

Attached you will find the tariff sheet 1B and documentation supporting the increase which is due to the increased cost of copper. Also, what are the procedures for notify customers on a change to the non-recurring charges? You can email me at rwestrick@carrolltonutilities.com.

Let me know if you need more information.

Sincerely,

Rita Westrick
