Re: In the Matter of: The Application of East Kentucky Power Cooperative, Inc.  
for a Certificate of Public Convenience and Necessity for the Construction  
of an Air Quality Control System at Cooper Power Station  
Case No. 2008-00472

Dear Mr. Derouen:

According to the Procedural Schedule contained in the Order of January 12, 2009, the date for interventions has come and gone without any party requesting intervention in the case.

Responses to any Supplemental Data Requests of the Commission Staff are due no later than March 13, 2009.

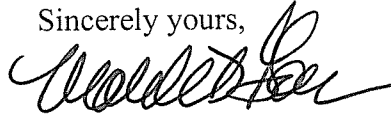

In order that this case move along as expeditiously as possible, East Kentucky Power Cooperative hereby requests that the Commission schedule an Informal Conference for a date as soon after March 13, 2009 as possible. The purpose of this Informal Conference will be two-fold. First, EKPC would like to discuss with Commission Staff the timeline for completion and submission of the case in light of the fact that no party has intervened; and, second, so that representatives of EKPC might inform the Commission Staff of certain technical matters pertaining to the air quality control system which is the subject of this case.

In support of this letter, EKPC files an original and ten (10) copies its Motion to Schedule Informal Conference. Please return a file stamped copy of the above Motion to me in the enclosed self-addressed, stamped envelope.
