RE: Case No. 2008-00478  
Southern Madison Water District  
Filing Deficiencies

The Commission staff has reviewed Southern Madison Water District's application in the above case. This filing is rejected for the reasons set forth below:

(1) Filing deficiencies pursuant to 807 KAR 5:011, Section 8 – Public notice was not published one time prior to filing application and did not contain Public Service Commission's complete address.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is at least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of the date of this letter.

If you need further assistance, please contact Virginia Gregg at 502-564-3940 ext 407.

Sincerely,

A handwritten signature in cursive script that reads "Ryan Gatewood".
