In RE: Application for Non-Recurring Charge Increase  
Southern Madison Water District

Dear Ms. Stumbo:

I am the attorney for Southern Madison Water District (Southern Madison), and this is an application to make tariff revisions for certain non-recurring charges as listed in the enclosed tariff sheet and as defined in 807 KAR 5:006, Section 8. In support of its application, Southern Madison states as follows:

- ✓ Cost justification forms are included for each quantified rate proposed which show a full description of the equipment or service provided. The proposed rates cover incremental costs and a reasonable contribution to overhead.
- ✓ A copy of a public notice that will be published in the newspaper for three (3) consecutive weeks before the new rates are imposed, which we propose to be January 1, 2009.
- ✓ A copy of this filing has been mailed to the Attorney General's Consumer Protection Division at 700 Capital Avenue, Suite 118, Frankfort, KY 40601.
- ✓ Southern Madison has not filed a general rate case since 1994. Since that time, the costs of performing the services associated with the non-recurring charges proposed have increased dramatically. Southern Madison has been absorbing the increased costs incurred for the listed non-recurring charges and cannot afford to wait for its next general rate case.
- ✓ The group of customers impacted by the proposed increases will be those who cause Southern Madison to incur the expense. It is unfair for Southern Madison and all its customers to continue to absorb expenses attributable to specific customers.
