RE: Ledbetter Water District Water and Sewer Rate Applications

Dear Mr. Derouen:

We have reviewed the Ledbetter Water District's pending Applications for changes in water and sewer rates. The Office of the Attorney General advises that while it does not waive the right to fully-participate in this proceeding, the Attorney General does not plan to submit a request for information or a request for the establishment of a procedural schedule with regard to either pending application.

If you have any questions or concerns, then please contact me at your earliest convenience.

Regards,

*David Edward Spenard*
