PUBLIC SERVICE
COMMISSION

Dear Commission,

Concerning the Powell Valley
Water District's proposed 20.604 %
increase on water. I am opposed.

These are my reasons:

The teachers and employees
of Powell Co. have not gotten an
increase in wages to that percentage.
Even S.S. gave 5.8% to its recipients.

They should look for ways
to cut back, like all of us on gas
and operating cost. They should get
a raise similar to what the teachers
get in Powell Co.

Thank You. C. Slusher
