Re: CASE NO. 2008-00512 and CASE NO. 2008-00506

To Whom It May Concern:

The Powell's Valley Water District and Sewer Division Board of Commissioners spoke with Mr. Todd Ostbrloh during the April 13, 2009 Monthly Board Meeting.

The Powell's Valley Water District and Sewer Division would like to bring to the attention of the Public Service Commission that without the pending water and sewer rate increases in effect, the District can not meet the required financial obligations to operate the water and sewer systems.

We are asking the Public Service Commission to expedite the review of the water and sewer rate cases.

Stephen Everman, Chairman  
Powell's Valley Water District
