To the COMMISSION:

The North Shelby Water Company respectfully requests that the COMMISSION allow us to make an adjustment in our rates in accordance with 807 KAR 5:067 Purchased Water Adjustment clause.

The Company has been told by its suppliers, Frankfort Electric and Water Plant Board that a \$0.0965 increase will take effect on November 30, 2008. The Company purchased 178,419,000 gallons from Frankfort between December 2007 and November 2008. The result of these increases is an increase to our rates of \$0.05 per 1,000 gallons. We propose to raise each gallonage block that amount.

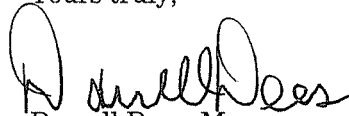

The following documents are enclosed:

- Exhibit A. Purchased Water Rate Adjustment
- Exhibit B. Copy of Wholesale Tariff
- Exhibit C. Statement of Purchases and Sales
- Exhibit D. Notice to Customers
- Exhibit E. Tariff Sheet

The Company requests the COMMISSION to grant a deviation from the regulations and allow two purchase water adjustments in that we received two adjustments within 8 days of each other. We advertised this rate adjustment in the newspaper on December 8, 2008.

If you have any questions, please contact Warner Broughman at 859-271-1778, as he is handling this matter.

Yours truly,

Darrell Dees, Manager
