

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF LOUISVILLE)
GAS AND ELECTRIC COMPANY) CASE NO. 2008-00564

ORDER

On January 30, 2009, the Commission issued an Order in this matter approving a gas supply cost component for Louisville Gas and Electric Company. The first sentence of the fourth paragraph on page 2 of the Order included an incorrect amount for the current quarter actual adjustment. The amount of (\$6.716) used in the Order was the amount per ccf, not Mcf as stated in the Order. The current quarter actual adjustment per Mcf is (\$.6716). In all other respects, the January 30, 2009 Order is correct.

The Commission THEREFORE ORDERS, nunc pro tunc, that the first sentence in the fourth paragraph on page 2 of the January 30, 2009 Order should be restated to read as follows:

LG&E's notice sets out a current Actual Adjustment ("AA") of (\$.6716) per Mcf. The total AA of \$.3654 per Mcf is a decrease of \$.5214 per Mcf from the previous total AA of \$.8868.

Done at Frankfort, Kentucky, this 12th day of February, 2009.

By the Commission
