Dear KY Public Service Commission,

I am answering your statement, "If you would like to oppose the proposed increase in our power bill, please write to above address".

I would like to register my opposition to this pay hike. Many people are staggering over the burden of their power bills, already. I do not know how older citizens or younger ones are going to bear this burden.

Please reconsider this pay hike.

Thank you very much.

Sincerely,

Imogene D. Johnson
