RESOLUTION  
2010-01

A RESOLUTION FINDING THAT THE PROPOSED RATE INCREASE BY AMERICAN ELECTRIC POWER IS NOT IN THE BEST INTERESTS OF THE RESIDENTS OF THE CITY OF LOUISA.

Preamble

WHEREAS, American Electric Power is the sole supplier of electricity in the City of Louisa;

WHEREAS, American Electric Power has proposed a 35% rate increase; and

WHEREAS, American Electric Power deems the increase necessary to cover the increased costs of items such as labor, materials, equipment and investments in renewable energy.

Resolution

NOW, THEREFORE IT IS RESOLVED that the Louisa City Council:

1. understands that a periodic rate increase is necessary;
2. feels the increase of 35% is too expensive;
3. does not believe that a 35% rate increase is appropriate during these times of economic hardship;
4. expects that the 35% rate increase will adversely affect those who are on a fixed income;
5. believes that electricity should be attainable and affordable for all residents of Louisa; and
6. does not approve of the 35% rate increase proposed by American Electric Power.

Adopted on Jan. 12, 2010.
